

Electric Start Diesel Generator 400V 230V

Basic Information

- Place of Origin: China
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Fuel: Diesel
- Product Name: Diesel Generator
- Speed: 1500rpm/1800rpm
- Warranty: 1 Year
- Power: 20-1000kW
- Noise Level: Low
- Voltage: 400V/230V
- Highlight: **1500rpm Diesel Generator ,
400V Diesel Generator**

Product Description

Product Description:

Diesel Generating Machine is a reliable and durable power generator that offers excellent performance and reliable power supply. It is powered by diesel and can be used for industrial and commercial applications. It is available in both 400V and 230V voltage, with 1500rpm and 1800rpm speed respectively. It is designed with a 3 Phase system for efficient power generation and can be easily controlled by the Controller. This reliable and efficient generator is perfect for providing continuous and reliable power supply. With its advanced design and efficient performance, the Diesel Generating Machine is an ideal choice for commercial and industrial applications.

Features:

Product Name: **Diesel Generator**

Controller:

Efficiency: **High**

Starting System: **Electric Start**

Voltage: **400V/230V**

Keywords: **Diesel Generating Equipment, Diesel Generating Machine, Diesel Power Generator**

Technical Parameters:

Attribute	Value
Starting System	Electric Start
Voltage	400V/230V
Fuel	Diesel
Warranty	1 Year
Controller	
Noise Level	Low
Speed	1500rpm/1800rpm
Efficiency	High
Frequency	50Hz/60Hz
Power	20-1000kW

Applications:

Diesel Generator: The Perfect Choice for Your Business

The Diesel Generator is the perfect choice for your business, providing reliable, efficient power for all your needs. The generator is made by the world-renowned brand, which has a long history of producing reliable and trustworthy products. It has been certified by ISO9001 and has a minimum order quantity of only one. The price is highly competitive, and the delivery time is only 10-15 days. The package is carefully prepared in a wood case, and the payment terms are flexible, including L/C, D/A, D/P, T/T, Western Union, and MoneyGram. What's more, the generator has an impressive one-week supply ability and a 1-year warranty. It has a voltage of 400V/230V and a power of 20-1000kW, with 3 phases. All in all, Diesel Generator is the perfect choice for any business.

Customization:

We provide custom-made Diesel Generating Machine, Diesel Power Generator and Diesel Generating Machine.

Brand Name:

Place of Origin: China

Certification: ISO9001

Minimum Order Quantity: 1

Price: Negotiation

Packaging Details: Wood case

Delivery Time: 10-15 days

Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
Supply Ability: 1000 pieces per week
Product Name: Diesel Generator
Frequency: 50Hz/60Hz
Noise Level: Low
Efficiency: High
Starting System: Electric Start

Support and Services:

Diesel Generator Technical Support and Service

Diesel Generator offers technical support and service to ensure that your generator runs safely and efficiently. Our experienced technicians can help you with installation, maintenance, diagnostics and troubleshooting.

We offer a wide range of services to keep your generator running smoothly. These include on-site maintenance and repair, as well as remote monitoring and diagnostics. Our team is available 24/7 to provide you with the best possible customer service.

We also provide a comprehensive warranty plan with our generators. This ensures that you have peace of mind knowing that your generator is covered in case of any unexpected problems.

For more information on our services and warranty plans, please contact us.

Packing and Shipping:

Packaging and Shipping

Diesel Generators are securely packaged in order to ensure safe transportation and delivery. The packaging includes a moisture-resistant wrapping, bubble wrap, and secure strapping for added safety.

Delivery is available via ground, air, or sea freight. Depending on the size and weight of the generator, customers can expect delivery times ranging from 3-7 business days.

FAQ:

Q1: What is the Brand Name of Diesel Generator?

A1: The Brand Name of Diesel Generator is .

Q2: Where is Diesel Generator made?

A2: Diesel Generator is made in China.

Q3: What is the certification of Diesel Generator?

A3: The certification of Diesel Generator is ISO9001.

Q4: What is the minimum order quantity of Diesel Generator?

A4: The minimum order quantity of Diesel Generator is 1.

Q5: How to deliver the Diesel Generator?

A5: The Diesel Generator will be packaged in wood case and delivered in 10-15 days. Payment Terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram and Supply Ability is 1000 pieces per week.
