

SDEC 25 Kva Single Phase Generator Air Water Cooling System

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Sdec
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Type: Diesel Generator
- Cooling System: Air/Water
- Brand: SDEC
- Power: 10-1000KW
- Starting System: Electric/Manual
- Frequency: 50/60Hz
- Fuel: Diesel
- Speed: 1500/1800rpm
- Highlight: **25 Kva Single Phase Generator ,
SDEC Single Phase Generator ,
ater Cooling Single Phase Generator**

Product Description

Product Description:

SDEC Diesel Generating Unit is a reliable and efficient diesel engine generator that provides low noise operation and comes with an automatic or manual control system. It is available in a range of voltages from 220V/ 380V/ 400V/ 415V/ 440V/ 480V, and is equipped with an air or water cooling system. This makes it an ideal choice for industrial and commercial applications. With its superior quality and features, SDEC Diesel Generating Unit is the perfect choice for reliable and cost-effective power solutions. It is designed for use in harsh environments and can provide reliable and efficient power for many years to come.

Features:

Product Name: SDEC Diesel Generator

Voltage: 220V/ 380V/ 400V/ 415V/ 440V/ 480V

Power: 10-1000KW

Fuel: Diesel

Brand: SDEC

Protection System: Overload/High Temperature/Low Oil Pressure

Technical Parameters:

Parameter	Value
Voltage	220V/ 380V/ 400V/ 415V/ 440V/ 480V
Control System	Automatic/Manual
Brand	SDEC
Speed	1500/1800rpm
Warranty	1 Year
Power	10-1000KW
Cooling System	Air/Water
Starting System	Electric/Manual
Noise	Low
Frequency	50/60Hz

Applications:

SDEC diesel generating equipment is an ideal solution for a variety of applications. It provides reliable and efficient power for industrial, commercial and residential applications. With its high power output, low emissions and low noise level, it is an ideal choice for a wide range of applications. It is manufactured under strict ISO 9001 certification standards and can be ordered in minimum quantities of 1. The pricing is negotiable and delivery time is 10-15 days. Payment terms include L/C, D/A, D/P, T/T, Western Union, MoneyGram and other options. The product is supplied with a wood case and has a supply capacity of 1000 pieces per week. It is available in a range of power outputs from 10-1000KW and has a frequency of 50/60Hz. It has voltage options of 220V/ 380V/ 400V/ 415V/ 440V/ 480V and a starting system of either electric or manual.

The SDEC diesel generator is a reliable and cost-effective option for a variety of applications. It is well-known for its high power output, low emissions and low noise levels. It is manufactured under strict ISO 9001 certification standards and comes with a wood case. Its supply capacity is 1000 pieces per week and it is available in power outputs from 10-1000KW with a frequency of 50/60Hz. The voltage options are 220V/ 380V/ 400V/ 415V/ 440V/ 480V and the starting system can be either electric or manual.

SDEC diesel generator is a trusted and reliable choice for a variety of applications. It is designed to provide superior performance and efficiency. With its high power output, low emissions and low noise level, it is the ideal choice for many industrial, commercial and residential applications. It is manufactured under strict ISO 9001 certification standards and comes with a wood case for easy shipping and storage. Its supply capacity is 1000 pieces per week and it is available in power outputs from 10-1000KW with a frequency of 50/60Hz. The voltage options are 220V/ 380V/ 400V/ 415V/ 440V/ 480V and the starting system can be either electric or manual.

Customization:

SDEC Diesel Generator

Brand Name: Sdec
Place of Origin: China
Certification: ISO9001
Minimum Order Quantity: 1
Price: Negotiation
Packaging Details: Wood case
Delivery Time: 10-15 days
Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
Supply Ability: 1000 pieces per week
Power: 10-1000KW
Fuel: Diesel
Speed: 1500/1800rpm
Brand: SDEC
Frequency: 50/60Hz

SDEC Diesel Engine Generator is a reliable and efficient diesel generator that provides power ranging from 10-1000KW with a fuel type of diesel, speed of 1500/1800rpm and frequency of 50/60Hz. All SDEC Diesel Generators come with a brand name of SDEC, place of origin of China, certification of ISO9001, minimum order quantity of 1, price of negotiation, packaging details of wood case, delivery time of 10-15 days, payment terms of L/C, D/A, D/P, T/T, Western Union, MoneyGram, and supply ability of 1000 pieces per week.

Support and Services:

SDEC Diesel Generator offers comprehensive technical support and service to meet customers' needs. Our experienced and dedicated team of field technicians, engineers and customer service representatives are available to provide expert advice and support from the initial installation to the long-term maintenance of your equipment.

We provide comprehensive service packages to ensure that your diesel generator is always running at its best. Our services include:

- Installation and commissioning
- Preventive maintenance
- Repairs and overhauls
- Parts replacement
- System upgrades
- Fuel system cleaning
- Performance testing
- Remote monitoring and diagnostics
- 24/7 emergency support

At SDEC Diesel Generator, we are committed to providing the best service and support for our customers, so you can be sure that your diesel generator will be running at peak performance for years to come.

Packing and Shipping:

SDEC Diesel Generator Packaging and Shipping:

The SDEC diesel generator is safely packed in a cardboard box lined with foam to protect it during transportation. The box is then sealed with tape and labeled with the generator model number.

The generator is then shipped via truck or train to the destination. The delivery time depends on the destination. We recommend that you check the estimated delivery time before placing your order.

FAQ:

Q1: What is the brand name of the SDEC Diesel Generator?

A1: The brand name of the SDEC Diesel Generator is "Sdec".

Q2: Where is the SDEC Diesel Generator made?

A2: The SDEC Diesel Generator is made in China.

Q3: Does the SDEC Diesel Generator meet ISO9001 standards?

A3: Yes, the SDEC Diesel Generator meets ISO9001 standards.

Q4: What is the minimum order quantity for the SDEC Diesel Generator?

A4: The minimum order quantity for the SDEC Diesel Generator is 1.

Q5: How is the SDEC Diesel Generator packaged?

A5: The SDEC Diesel Generator is packaged in a wood case.
