Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Type: Mobile Diesel Generator
- Cooling System: Air/Water
- Start Mode: Electric/Manual
- Dimension: Customized
- Rated Voltage: 220V/380V/400V/415V/440V
- Frequency: 50/60Hz
- Warranty: 1 Year
- Control System: Automatic/Manual
- Highlight: **Three Phase Mobil Diesel Generator,
Three Phase Mobil Diesel Generator,
60Hz Mobil Diesel Generator**

Product Description

Product Description:

Our mobile power diesel generator is the perfect solution for your mobile power needs. It is equipped with the latest mobile diesel engine unit to provide reliable, cost-effective power. This mobile diesel generator comes with either an automatic or manual control system, and it is available in 220V/380V/400V/415V/440V rated voltages. It also features a fuel tank capacity of 50-1000L and single or three phase models. The product is certified with CE/ISO/SGS, making it a safe and reliable choice for your power needs.

Features:

Product Name: Mobile Diesel Generator

Frequency: 50/60Hz

Phase: Single/Three

Control System: Automatic/Manual

Type: Mobile Diesel Generator

Weight: Customized

Keywords: Mobile Diesel Power Unit, Mobile Diesel Engine Unit, Mobile Diesel Power Unit

Technical Parameters:

Attribute	Value
Mobile Diesel Power Unit	Mobile Diesel Generator
Mobile Diesel Generator Set	
Fuel Tank Capacity	50-1000L
Fuel Type	Diesel
Control System	Automatic/Manual
Rated Voltage	220V/380V/400V/415V/440V
Certificate	CE/ISO/SGS
Power Output	20-100KW
Phase	Single/Three
Noise Level	Low
Cooling System	Air/Water
Warranty	1 Year

Applications:

The **Minlong Mobile Diesel Generator** is designed to provide reliable and efficient power for applications requiring a dependable mobile power source. This unit is ISO9001 certified and is ideal for a wide range of applications, from construction sites and agriculture to industrial and manufacturing. The Mobile Diesel Generator is light weight and compact, making it easy to transport and install. The Frequency of this generator is 50/60Hz, and you can choose from Air/Water cooling system and Automatic/Manual control system for different needs. The dimensions and weight of the generator can be customized according to your specific requirements.

You can purchase the Minlong Mobile Diesel Generator with a minimum order quantity of 1 piece. The price is negotiable and the delivery time is 10-15 days. We accept payment methods such as L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The generator will be packaged in a wood case for secure delivery. We can provide up to 1000 pieces per week, so you can be sure that you will get your order on time.
